“Today, Governor Kevin Stitt signed Executive Order 2026-09 declaring a State of Emergency in Beaver, Texas and Woodward counties following a series of destructive wildfires across northwest Oklahoma.

**“The Woodward fires are about 20% contained, and we were very fortunate to keep most neighborhoods safe. A few homes were lost, and we’re keeping four injured firefighters in our prayers as they recover after working tirelessly through the night,”** said Governor Stitt. **“I’m deeply grateful for the incredible efforts of our firefighters and forestry crews on the ground. In Beaver County, the town of Tyrone was evacuated earlier as a precaution. As we head into today and tomorrow, conditions remain dangerous. We need every Oklahoman to stay alert and continue taking fire warnings seriously.”**

Two additional local task forces will deploy to Beaver County.

Additional counties may be added if conditions are warranted this week.  
Executive Order 2026-09 will remain in effect for 30 days and can be read in full [here](#).
